

# OCTOBER NEWSLETTER

---

## Congratulations!

We want to congratulate our Summer Fellows and Summer Scholars on presenting their research at the Summer Symposium! You all did an amazing job!

---

## New & Noteworthy

### UDRAW

UDRAW is a work-study program that allows eligible students to use federal funds in order to gain research experience at the University of Delaware.

Applications are ongoing and more information can be found here: <https://www.urp.udel.edu/urp/research-apprenticeship/>

Zarah's research can be found [here](#)

Bailey's research can be found [here](#)

Congratulations to Summer Scholars Zarah Zurita & Bailey Blewitt on getting their undergraduate research published in peer reviewed journals!

---
