

Copyright Permission Form

I grant permission to the Undergraduate Research Program to:

- deposit a digital version of my thesis in the University of Delaware Library's Institutional Repository;
- store my thesis in the Institutional Repository and make it available to the general public via the internet at no cost to the general public;
- create a back-up copy of my thesis for preservation purposes;
- convert my thesis, without changing the content, to any other format or medium necessary for preservation and storage of the thesis; and
- make my thesis available under a Creative Commons Attribution-NonCommercial (CC-BY-NC) license, permitting end users of the Institutional Repository to download and use my thesis for personal use of non-commercial purposes with appropriate attribution.

I acknowledge the following:

- my thesis is an original work, and does not, to the best of my knowledge, infringe upon any third party's copyright;
- I agree to hold the university harmless from claims of infringement of copyright;
- I retain copyright rights and ownership of my thesis;
- this agreement is non-exclusive, which means I may continue to work with my thesis in its present or future version(s);
- I understand that my thesis will remain in the Institutional Repository in perpetuity.

I, _____, grant permission to the Undergraduate Research Program to deposit a digital version of my thesis in the University of Delaware Library's Institutional Repository in accordance with the statements above.

Signed: _____ Date: _____

Newark, DE 19716

Note: if you would prefer submitting your consent via email, please send an email to Lauren Barsky (lbarsky@udel.edu) and Yoo Jin Choi (yoojchoi@udel.edu) with this copyright form attached to your email. In the message of your email, please state the following: "I hereby grant permission to the Undergraduate Research Program to deposit my thesis in the University of Delaware Library's Institutional Repository. I have read and consent to all the terms stated in the copyright permission form." Type your full name at the end, email to Lauren and Yoo Jin, and consider your digital thesis part of the repository.
